Applicant acknowledges and understands that the Big Sky County Water & Sewer District retains the right to suspend, modify, or terminate this permit to temporarily purchase water. Such suspension, modification or termination may be made by the District at its sole discretion without any prior notification from the District. Connection fees are non-refundable. All or a portion of the damage deposit will be refunded depending upon any costs incurred by the District to repair a damaged hydrant and/or hydrant meter. Meter and/or hydrant repair or replacement costs exceeding the deposit will be billed to the permit holder. Billing is done monthly, or when the hydrant meter is pulled at the discretion of the District.
